

Character name: Harmony

About your character:

Harmony is a happy-go-lucky orc who decided to become a Bard... Unfortunately she's completely tone-deaf! She's not going to let that stop her though, so she's been practicing for years. Her biggest dream is to perform for real heroes, and after listening to her performances day after day her village pooled their money so that she could travel far, far away and maybe achieve her dream.

Her preferred instrument is a kazoo that a travelling merchant gave her when she was young. While she has tried other instruments, her brute strength tends to leave them broken or twisted.

Skills:

Stunning Song - a tune sung so badly that enemies forget to attack

Rousing Kazoo Solo - strengthens allies because they hope to finish the fight as quickly as possible to get away from the noise
